

INSTRUCTIONS

Materials needed: Grills

Estimated Install time: 15 Minutes

1. Read instructions before installation.
2. Take the grill insert and make sure you understand how it is supposed to go on. The top part and the bottom part are the same but the insert should be pointing in a fashion of which the clips will attach to the bumper from behind.
3. Put the grill insert behind the opening and center the grill insert and push the clips onto the existing grill. You may have to get under the car to accomplish this.
4. The clips should be near the arrows on the above picture.
5. Thanks and enjoy.
